

**I WANT TO
WORK!**

There are many good things about working, other than earning money.

Working improves your health and happiness and is a great place to make new friends!

**I WANT TO
WORK!**

Supported employment means that you work in a supportive work environment. This means there are people to help you do your job.

Supported Employment Enterprises do a lot of different things, and there are lots of jobs to choose from.

Contact us!

Call or email **Liz Cranfield** to get more information about what supported employment has to offer.

I WANT TO
WORK!

Supported
employment
is part of
the NDIS.

When you do
your NDIS planning,
you can decide that work
is a goal for you and you
can ask for supported
employment to be in
your NDIS plan.
